# 2.1 The supercalifragilistic expi-ali docious water

## HISTORY

The supercalifragilistic expialidocous water (the sp water) was invented in 582, by a famous alchemist in that time---Daniel Amazing (D.A). (see tip)

Those days was the time of "the muggle sickness." (see tip) Therefore, to conflict with the disaster. He made this potion based on the five elements that made up the world: Gold Wood Water Fire Mould.

With the invention of the SP water, illness was easily defeated. However

D.A found that this potion does not only have the function of panting illness. Surpringly, it will have different effect according to different situation. An example for this is the WW1 (Wizard War I see tip) One knight drunk the potion and became extremely powerful that he then beat all the wizards who use the dark magic. And the SP water seldom got used again. (One reason is that potion is too strong, and the materials are hard to get.

## MATERIAL

**1 Exactly 1 kg gold. (The gold can not be from the golden touch)**

2 Exactly 500g's wood from the blood tree with its blood. (The blood cannot be dry)

3 Exactly 300g's water from the holy spring.

4 The phoenix's fire (you must use the wizard 572 test tube to make sure the fire is fresh and hot)

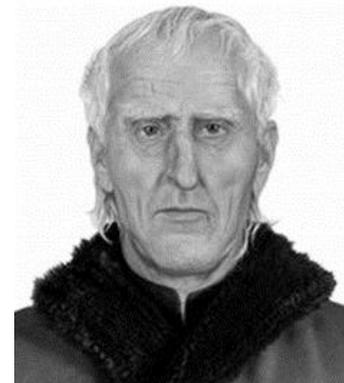

5 Exactly 100g's mould from the garden in Death residence. (The mould can only kept in 30 minutes)

## TIP

In about five century , there was sickness which was called the muggle sickness , the wizard who caught the sickness will lose all of his magic skills

Wizard War I ,It is said that there was another lord like the VOLT MORT in the earlier years ,he was so powerful that he lead a rumble between all the dark wizards and light wizards

## CATIONS

1 The older the wood is the more effective the water is, (but the blood must be fresh.)

2.Each step must be in the right turn, **IF NOT, RUN IMMEDIATELY!!!**

3 If the soil is out of 30minutes (which will cause the water make bubbles) **RUN IMMEDIATELY!!!**

# Transmogrification

## — Professor McGonagall

The transmogrification in simply way to say just is transform. This magic just changes something into other things. You mind decide what you want to have, but it not include the money, food, magic medicine, the product produced by Elf. These things that you cannot transform out by transform other things into. Some students want to know who invited this magic. It is invite by the Professor McGonagall 's teacher's grandparent. They were impoverished that cannot solve the question of eat and wear, and they were have too many extra branches, they were spend energy throughout their life, but they still cannot solve the incomplete of the magic transform branches into food, they just turn it into tools and use them to get food by themselves.

When you doing this magic by using wand, crystal ball, magic card and potion. The wand is suit each student to use, but the crystal ball and the magic card

just allow to use by the grade over 5 students. The different color is correspond different level in the study. The potion must be talk to teacher what you want to transform, if the requirement is allowed in Hogwarts and rational, the teacher will help you to make the potion to transform.

Some student will ask what is spell. That is also important to display the magic. The spell is very simply, and it is also the public spell to the five tools to work. That is:

Give me power, all things under heaven are being prepared for me! Change this into.... (The thing you want to have)

You just read it in your heart, then point at the thing if you use wand. Looking at the thing you want to change for few seconds and read the spell if you use crystal ball. Putting the card face to the thing and read spell loudly if you use magic card. Put drops in the thing without spell if you use potion.

But when you use it, the magic also has timing to disappear. The die thing turn into die thing, the timing is forever. The live thing change into live thing, the timing is decided by the years he can live. The die thing or other arm you want to make it more

power or other more forceful arms, you will lose some energy, but that will help you much in your combat.

### Tip:

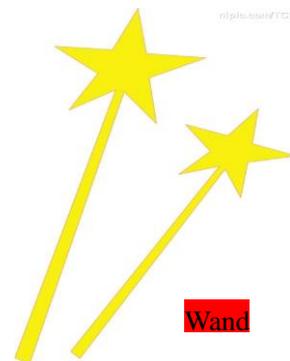

1. No food, no money, no magic medicine, and no the product produced by Elf.
2. No died things transform into living.
3. The all things turned by potion just have 3 hours to keep.

# Transmogrification

## Transmogrified tool;

### History

Transmogrification is one of the oldest and basic magic of Hogwarts.

However, it is also a challenge for some new wizards.

Professor McGonagall is a celebrity who is good at this magic.

### List various tool

- A wand 
- A crystal ball 
- A magic card 
- Potion 

### The situation we need to use

- For some high level transmogrification, such as turn something into weapon.
- When we need to conjure on something powerful, it will be hard to just speak spell, tool is necessary now.
- The last situation is up to you. Tool is not necessary for some common situations. However, it will have benefit if you use tools.

### How to use them

1. Make sure your purpose is to turn something into something.
2. Use proper tool to help you.
3. You must use the tool first, and then speak the spells.
4. After all, you finish your transmogrification.

**Notice:** The order can't be upside down, or something horrible will happen.

### Tip

Not all of tools can be used by everyone. For example, the crystal ball and magic card can be used by students over senior 5. Also, potion should be mixed by yourself. Different magic will have different potion. It is a high-level technology, so just for professors such people.

# TRANSMOGRIFICATION

—— McGonagall

## Something need to pay attention

① If you use Transmogrification to a person and he or she becomes a glass. Then the glass is broken, the person will dead.

② If some evil wizards use Transmogrification to something and make them become money. The wizards will become very rich in wizard or common people's world. This will cause a very bad effect to these two worlds.

So we cannot use Transmogrification to people, potion and something were made by Elf. Also we cannot use it to make money and food.

## Transform between “Two non-living Objects”

In the wizards' world, there are many kinds use of transmogrification. For example, someone make a mouse to a cup. Someone make a cup to a cap. Someone can make a cat to a dog. You can even find somebody can change themselves to other animals without spell.

Here will introduce transform between “two non-living objects”.

At first, you should choose the true object to use this magic. They cannot be something were made by Elf, herb, money. Then speak the spell” Give me power; all things under heaven are being prepared for me! Change this into.... (The thing you want to have)” and wave your wand in standard. Then you can get the result you want.

## Transmogrification's Effect to Wizards' World

From the transmogrification was created wizards' world has many change.

For example:

- ① During the war, the scouts can use transmogrification to change the environment, and then they can hide in it.
- ② Some wizards like stay or work at outside they can use this magic change their tents' appearance such as rock or tree. Then they will be safer than before.

# Transmogrifications!

## Advanced level

### Magical Creatures Transformation!

1. Get great marks in magical creatures to sure you know what kind creature you face.

2. Peace your heart, remember spell.

3. Prepare your wand, wait the creature reduce vigilance.

4. The most important part! Using your wand point the creature, then shout out

the spell! Be quick! Magical creatures are dangerous!

5. See your spell work, if not just try your best to make the magical creatures can't find you.

6. If you success, don't be happy. This is the last part, using your wand point the creature say "fixum".

### Transform without Wand!

Before the details, you must know it is a long cycle to transform without wand, so beside are steps to guide how to do that.

1. Formula with the spell you gotta say. Remember it in your mind like instinct.

2. Without wand transform also has its own special prefix. It is called "alternative fistula-", put the spell you want to say after fistula.

3. One thing is necessary to be mentioned that if you are not the master of transmogrification you better transform with your wand.

4. It also can use as transform without speaking out. The spell prefix is the same. What you need to do is to make it like your instinct.

5. Practicing is quite good but without combat you will never graduate, talk to your teacher or parents to ask if they can help you do some really practice.

6. All the things need you have a calm mind, whatever you meet anything peace your heart, calm down your mind then transform.

# Transmogrification

Sam Goth (799-1296)

McGonagall

One of the oldest wizards in the world.  
The father of Transform.

## Point for attention.

If you use Transmogrification to a person and he or she becomes an animal. Then the animal get hurt, the person will be hurt too. Of course, if it used by an evil wizard, the consequences would be unthinkable!

## Transform between “Two Living objects”.

There are many kinds of TRANSFORM such as two no-living objects, two living objects, one living object to one no-living object.

Here we introduce the transform between “Two living objects”

Frist, you should choose the things that you want to turn into and of course you can't use this magic to a human. You must try it at least you can make sure that you won't fail.

Second, you can't turn any living things into a rabbit, because rabbit have no soul and it is a taboo to make living object into a no soul living object.

Third, the person use this magic must have an honest quality and a calm state of mind .If you are not, you will hurt your mind from the transform.

## Incantation

### Let Things Shine

Do you want light?  
Do you like the thing of luminescence?  
Or you want to have a portable lighting tool.

... ..

All of these ideals will become easy for you after this class.

What should you prepare?

1. Your magic wand
2. A glass of water
3. A Crystal desk
4. The stuff you want it shine

The incantation of this magic :

Red, yellow, blue, go into the Crystal  
Make the stuff likes sunshine

When you remember the incantation, we can start.

1. Put the stuff you want it shine into the glass of water
2. Take it out of the water
3. Put the wet stuff on the Crystal desk
4. Take out your magic wand
5. Use the magic wand draw two circles in front of you (read "red, yellow, blue")
6. Swing the magic wand to right (read "go into the crystal")
7. Move the magic wand up to your head (read "make the stuff")
8. Use the magic wand to point the stuff you want it shine (read "like sunshine")

After you finish these steps, the stuff will be shine.

1. The stuff you want it shine must fit to put into your glass of water
2. How wet the stuff is, how light it will be.

1. The water must be clean. Or there will be something horrible.
2. The actions and reading must end at the same time.
